Scholarship Announcement

Milat Foundation Fellowships: The Darrell Milat Scholarship for Child Health and Well-being, Justice and Child Protection.

The Milat Foundation announces a number of scholarship positions for the academic year **2019/2020** in the following subjects/focus areas:

- 1. Law:** Support the training of students pursuing a law degree with strong interest in Justice, Child Rights and Child Protection with a view to working for and upholding justice in the courtrooms and the entire legal department especially but not limited to cases where children are victims.
- 2. Nursing:** Support the training of nursing students passionate about child health and wellbeing and who otherwise will not be able to complete their studies without external financial assistance.

Scholarships are awarded based on (i) academic performance or (ii) financial need or (iii) a combination of academic performance and financial need. In all three categories, applicants are expected to show especially how deep they share in and connect with the mission and vision of the Milat Foundation assessed in their application.

Milat Foundation Ambassadors

A new class of Milat Foundation scholars is selected each year. Fellows become Milat Foundation Ambassadors for either Child Health & Well-being or Justice & Child Protection.

Who We Are:

The Milat Foundation is a private operating foundation [non-profit charitable organisation] devoted to supporting deprived children and their families in Cameroon and across the globe to unlock their full potentials and live their best life stories. We do this through our bold, strategic, sustainable and innovative local empowerment projects & advocacy. We design, prioritise and execute our own projects.

Program funding comes from private family funds and are decided in the beginning of each year. This means that the foundation does not rely on public support to finance its projects, but may accept contributions from individuals as well as other organisations with shared mission and vision to extend its reach.
